### HIGHGATE HOUSE

A contemporary family home was the brief Leigh Boswell received when she undertook the large renovation of this Brisbane home, transformed into a collection of living spaces as equally practical as they are beautifully tailored. Highgate House's signature use of luxe fabric, textural neutral bases and rich wooden accents take centre stage in the home's formal dining room, a distinctively stylish gathering point.

### EASTBUILD DESIGNER HOMES

Palm Cove's Willacy House by Eastbuild Designer Homes takes advantage of its magnificent rainforest setting through the use of stretching bi-fold doors, a generous outdoor entertainment area and a grand timber cathedral ceiling. A state of the art kitchen, complete with a luxurious butler's pantry, is the hub of the home, whilst the private parents' retreat and spacious bedrooms provide a peaceful escape.

**WINNER:**
