

A fluffy, light-colored dog is sitting on a striped armchair. The chair has a blue and white striped pattern and dark wood legs. A blue knitted blanket is draped over the left side of the chair. The background is a white wall with vertical paneling and a white cylindrical lamp fixture hanging from the ceiling. The floor is made of dark wood.

Style fusion

What does it take to design and deliver a luxurious family home that has a relaxed feel, with just a hint of formality? The answer, of course, is the right architect, builder and interior designer. This home in the Brisbane suburb of Wilston is a design triumph under the guiding hand of three of the best in the business.
